Customization

No two brushes are the same. At **Baosheng**, we believe in complete customization, perfectly tailored to your needs. We go beyond one-size-fits-all solutions by working with each product's unique specifications, including texture, material, usage, and more.

This catalog showcases a variety of brushes with different hair types, styles, materials, and more—all of which can be mixed and matched to create your ideal brush. Please use this as a guide to what's possible, but keep in mind that the options extend beyond what's included here.

BAO SHENG

Brass Ferrules

Brass ferrules are renowned for their unmatched strength, durability, and timeless elegance. The polished brass finish exudes sophistication, imparting a luxurious touch to every brush.

To complement a variety of preferences, we offer two distinctive plating finishes:

- **Nickel:** A warm, yellowish-silver tone that delivers a classic aesthetic.
- **Chrome:** A cool, silver finish with subtle blue undertones, ideal for a modern appeal.

Indulge in the combination of quality, elegance, and individuality with every brush.
